## Venerable Michael J. McGivney

### His Faith

High ideals are not the exclusive preserve of the young, but they seem to go hand in hand with youthful energy and optimism.

The trick is to keep our ideals burning brightly, even when the vitality of youth begins to fade. This is, in part, what distinguishes a saint from the rest of us. A saint keeps the vision of God's love and the call to serve one's neighbor bright and clear to the end.

In fact, when we look at the lives of holy men and women, we see that their ideals grow stronger with the passage of time. Physical energies may fade, but sanctity requires a clarity and consistency that remain to the end of one's days.

Father McGivney was an idealist. He was a man whose youthful vision and creativity expanded and matured even as his physical well-being diminished. His intense idealism is often expressed today in titles ascribed to him as his cause for canonization progresses: "Apostle to the Young" and "Protector of Christian Family Life." These provide an outline for a spiritual portrait of Father McGivney.

This month we celebrate his birth on the 12th and his death on the 14th.

### Converting your term policy to permanent life insurance

Statistics show that the odds are as high as 100 to 1 against term insurance ever becoming a claim. And, while term insurance certainly has its place and is always better than no insurance, it does have its shortcomings. That is why you should consider converting to a permanent (whole life), plan of insurance. A permanent plan of insurance from the Knights of Columbus has level premiums and will build substantial cash value. Not only will it help to provide security for your family, it can also be used to supplement your retirement or help to preserve your estate. Permanent insurance lasts for your entire life, long after term insurance has run out.

Call or e-mail me today, to learn more about the advantages of permanent life insurance, and how you can convert your existing term policy, often without evidence of insurability, to permanent, whole life insurance.
