Knights in Action

The Knights of Columbus offers men a place to lead their families and communities in faith and service and put their Faith into Action. Knights of Columbus members, parishes and families have the opportunity to make a meaningful difference through 32 Supreme Council-recommended programs.

Organized into Faith, Family, Community and Life categories, the Faith in Action program model empowers Knights to come together to share faith, celebrate fraternity with loved ones, and do what they do best — stand shoulder to shoulder in service to the community and to defend life at all stages and in every condition.

FAITH

Grow in faith and build a strong parish and Church. Aid priests and religious in formation, honor Mary, mother of God, and engage in serious spiritual reflections and religious education activities.

COMMUNITY

Make a powerful difference in your community. Help those less fortunate with the basic human needs of clothing, shelter, mobility and compassion.

FAMILY

Strengthen families through faith and service. Socialize and pray with other faith-filled Catholic families through special events, religious services and volunteer opportunities.

Only having "through work" insurance doesn't work

Do you know anyone whose life has changed due to changes in career, job restructurings, plant closings, or even changes in their health? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could lose your job or change employers, or face a reduction in income or benefits at work.

Call or e-mail me today, to learn more about the value of personal life insurance you own yourself.
