Founder's Day

On Founder's Day this March 29th, we celebrate the anniversary of the Knights of Columbus.

As we celebrate the legacy of Venerable Michael McGivney and the contributions of our brother Knights since 1882, we also prepare for an even greater future as we live out the vision of our founder Father Michael McGivney.

The anniversary of the realization of Father McGivney's dream is a cause for celebration.

Councils throughout the Order are urged to observe this day – among their own members and with the community at large – as a reminder of what the Knights of Columbus has accomplished in the past years, the ideals of the Order, and their own local achievements.

Life Blood of the Order

Knights of Columbus Insurance - *Your Shield of Strength**

New members are the life blood of our Order! I'll say that again: *New members are the life blood of our Order!* I think everyone agrees with that, don't you?

New members give the council they join more manpower to accomplish the good works that the Knights are known for across the world. It gives the new member an opportunity to give back to his community and help his fellow man and maybe just as importantly, it infuses the council with new and fresh ideas. Our approach to membership can be summarized in four points:

Lead with Faith, Serve Others, Defend Your Values, Protect Your Family

With so much good, why can membership be a challenge? Maybe it's been my approach. I often assumed other men would want to join to help us, the council. But shouldn't I be inviting men to join to help them? Help them along in their faith journey...help them discover the joy of being of service to others...help them become a better Catholic man?
