## Novena for Our Nation

The time is now to call upon God, through the powerful intercession of Our Lady of the Rosary, to heal our country and return it to holiness.

This is a nationwide prayer campaign called the “Novena for Our Nation.” Everyone from around the nation is encouraged to join ranks as, united, we pray the very powerful 54 Day Rosary Novena from the *Feast of the Assumption* on August 15 to the *Feast of Our Lady of the Rosary* on October 7.

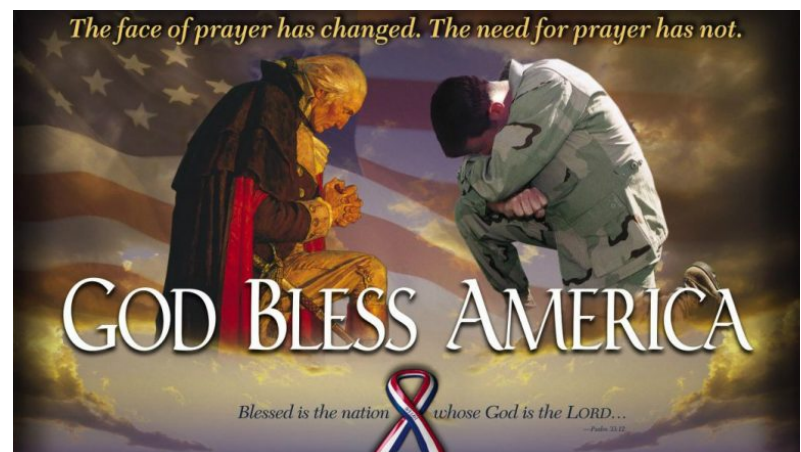

We continue to live in peace-less times with laws and court rulings in conflict with God’s laws; especially the disregard for the rights of the unborn, elderly and weak in our society and the attacks on marriage and family values. Society and many levels of government continue to demonstrate intolerance towards biblically based religious belief and practice. In conflict with First Amendment constitutional rights, persecution of traditional religious expression has reached historically high levels. We are in a Spiritual Battle.

We are called upon to help turn our country back towards God. We will accomplish that through prayer; prayer that can change hearts, change families, change our communities and change our country. There is no stronger weapon in this Spiritual Battle than the Rosary.

## Discover the Catholic Difference

We use sound investment principles and will not invest in companies that engage in abortions, abortifacient drugs, embryonic stem cell research, human cloning, or pornography. We operate on these principles and still produce a healthy profit.

Our charitable contributions of more than \$185 million last year went to supporting victims of genocide. We have placed more than 1,000 ultrasound machines in all 50 states and saved more the 1 million lives. We financially and spiritually support seminarians, disaster victims, Special Olympians and many others. All this from the profits of our insurance program, investments, and the contributions of members.

### Insurance products designed with our members’ needs in mind:

- We are not aware of any other company that offers a Spousal Waiver of Premium benefit... and at no additional cost!
- We have never raised our Long-Term Care Insurance premiums, something very few, if any, insurance companies can say.
- We offer Disability Income Insurance to blue, white, and grey collar workers.
- We meet with brother Knights and their families in the convenience of their homes.
- Our guaranteed purchase option protects the insurability of children.
- Our fixed-rate annuity guarantees principal and interest (you always make money).
- New products in development to meet more needs of our members.
