Grand Knight's Message

We are going into our (5th) month of the Fraternal Year and many things are happening. We have the Coats for Kids through November, Homemade Doughnut Sale on Nov 10 (need help), Holy Hours. We also have our Annual Survey that will be going out to members. We are a busy Council - BUT - WE NEED EVERYONE'S HELP IN ORDER TO SUCCEED.

If you have not attended a MEMBER meeting, they are the Second Tuesday of Each Month at 6:30 p.m. and the November meeting is Nov 12. We try and keep these meeting to one hour. We look forward to seeing you there.

REMEMBER, THIS IS YOUR COUNCIL. WE NEED EVERYONE ALONG WITH YOUR THOUGHTS, IDEAS, PRAYERS, AND HELP. INVOLVE YOUR FAMILIES IN THE ACTIVITIES AND BE A ROLE MODEL FOR YOUR CHILDREN.

KEEP THE FAITH.

Fraternally yours,

Clem Bauer

St. Joseph and Fr. McGivney, please pray for us!

Giving Thanks

As Thanksgiving approaches, what are you thankful for?

It's easy to say family and friends...but how about the little things in life. It might be that smile you get from the person who hands you your cup of coffee in the morning. It may be relishing the crisp air on an autumn day or a stroll in the park. Maybe the joy of helping an older neighbor.

When I think about helping older neighbors, I wonder how many members will have the help they need as they age. Some won't be able to do the simple activities of daily living, and with our mobile society, may not have a relative nearby to help. That's where KofC Long Term Care (LTC) Insurance might help.

A long-term care insurance policy covers the costs of care when you have a chronic medical condition, a disability, or a disorder such as Alzheimer's.

Giving Thanks (continued)

You can receive care in your home, a nursing home, an assisted living facility, or an adult day care center.

LTC insurance protects assets you've worked so hard for: house, IRAs, savings, investments. They could all be wiped out with even a short stay in a nursing home. The website: <https://longtermcare.acl.gov/costs-how-to-pay/costs-of-care.html> says that Home Health Care costs about \$22/hour, Assisted Living Facilities about \$4,245 per month and Nursing Home about \$85,000 per year. Without LTC insurance many families would face a serious financial crisis.

It's important to have an LTC plan. Many people wait until they are in their 60s or 70s before they start to consider long term care. But at younger ages it's more likely you can qualify...and the price is less expensive.

I can help design a plan to fit your needs...and your budget. You can have peace of mind that you will get the care when you need it and where you want it.

Let's talk and see how you can protect your assets.
